is a thing of the past.

President Cleveland has bought  
a fine span of young horses from  
Kentucky.

Eastern Kentucky is going to  
have a good deal to say at the next  
State Convention.

### EAST FORK.

Tom Barrett is building him a  
dwelling house at the city of Den-  
ton.

The Cunningham's school closed  
last Friday. He gave the little  
ones a candy treat.

Tom Branham was calling on  
the postmasters at Glenwood and  
Vesie in regard to an extension of  
the mail route from Denton to Pot-  
ters. We trust it can be managed  
as it is badly needed.

Dr. Sturgell is building up a nice  
practice. We are certainly glad to  
see the young "Doc" succeed.

ed from a visit to his parents in  
Boyd Co.

his appointment at Irish creek on  
account of the sickness of his aged  
mother and two of his children.

We are still trusting that Buren

candidate for road commissioner.

Tom McDole has just returned  
from a two weeks visit in Ohio and  
says times are a great deal better  
here than there.

Geo. Shortridge, of Cat, was visit-  
ing his son at this place Sunday.

Dr. Koffer will move to his farm  
at this place about January 1st.

We had the pleasure of meeting  
John M. Bentley at Vesie last  
week. He is the genial deputy  
Clerk of Edmon's Branch and a  
more competent man could not be  
found.

Joe Harlis and his bride were visit-  
ing friends here last week. They  
have just returned from a bridal  
trip in W. Va., where they will  
make their future home. The  
young couple have our best wishes.

Wishing the News a successful  
year in 1895, we are still. Aros.

loads of Clover Leaf flour.

### TWO LIVES SAVED.

Mrs. Phoebe Thomas, of Junction City  
Ill., was told by her doctors she had consump-  
tion and that there was no hope for her, but  
two bottles of Dr. King's New Discovery com-  
pletely cured her and she says it saved her  
life. Mr. Thos. Eggers, 139 Florida St.,  
San Francisco, suffered from a dreadful cold,  
coughing and sneezing, tried without re-  
sult everything else then bought one bottle of  
Dr. King's New Discovery and in two weeks  
was cured. He is naturally thankful. It is  
such results of which these are samples,  
that prove the wonderful efficacy of this med-  
icine in coughs and colds. Free trial bot-  
tles at A. M. Hagen's drug store. Regular  
price 50c and \$1.00.

### John Hager for Gov.

Eastern Kentucky will never be  
satisfied until it has a man in the  
Governor's chair at Frankfort. It  
has been a long time since Eastern  
Kentucky has had this honor. The  
present Governor, a Western man,  
succeeded another Western Gov-  
ernor. Gov. Knott, Gov. McCreary  
and Gov. Blackburn were all  
Central or Western Kentucky men.  
It has been the custom in State con-  
ventions for many years to find out  
what the mountain counties want-  
ed and to fix up a snug place for  
some mountain aspirant for some  
office sufficiently dignified to satisfy  
the mountain demand for repre-  
sentation. This has been so much  
the case that politicians have fallen  
into a way of thinking that the  
mountains habitually ask for more  
than they want or expect to get.  
An instance now arises, however,  
where the character of the man  
mentioned is such as to preclude  
the idea that his name is brought  
forward simply as a screen for some  
other candidate. Col. John F.  
Hager, ex-Railroad Commissioner,  
and one of the ablest men in East-  
ern Kentucky, is mentioned by his  
friends as a candidate for Governor.  
It had been supposed that this  
mentioning was done without con-  
sulting Mr. Hager. But an inter-  
view with Mr. Hager in Cincinnati  
a few days ago disclosed the fact  
that he may really be a candidate.  
When asked whether he would be-  
come a candidate he replied that he  
was in the hands of his friends,  
which with most men is equivalent  
to an announcement.—Courier  
Journal.
